 This Meeting will be held VIRTUALLY ONLY.

At the request of the Administrator, please join him and the EPA Ethics team for a special presentation about the Hatch Act featuring Ana Galindo-Marrone. For the past 20 years, Ms. Marrone has been the chief of the Hatch Act Unit of the Office of Special Counsel. Ms. Marrone and her staff are responsible for investigating and prosecuting Hatch Act violations. We are honored that she is available to give this presentation to our political appointees. Please join us in Microsoft Teams on Monday, July 13 from 4:45 to 6:00 pm EDT.

Although this session will not count for your one hour of annual ethics training, EPA Ethics knows that you'll find it very informative. As you know, the Hatch Act limits certain political activities of federal employees. This session will guide you in understanding your obligations and responsibilities under the Hatch Act. Attached for your early reference are Ms. Marrone's slides, and we will structure the presentation to allow for your questions.

Please be mindful of the following reminders:

* Even if you are attending in-person in the Alms room, you should bring your laptop.

* BEFORE signing into Teams, disable any VPN connection. Otherwise, your audio quality and connection may be adversely impacted.

* Click on the Microsoft Teams link below to enter the virtual training room.

* If you have questions as the presentation progresses, you can type your question into the Teams chat or click on the “raise my hand” button. The presenter will stop periodically to solicit questions, and the moderators will assist in getting yours addressed.

Thanks for your time and attention, and we are looking forward to joining you at this session!
